## 95 Theses Nailed To Door of Westminster Abbey On Christmas Day

*London, England* - Martin Luther may have started The Protestant Reformation, when he nailed his 95 Theses on the door of All Saints' Church in 1517; but what will Martin Sleuther start by the posting of his 95 Theses on the door of Westminster Abbey, Christmas Day 2017?

In the early hours of Christmas Morning, on the 67<sup>th</sup> anniversary of the taking of **The Stone of Destiny** from Westminster Abbey by four Scottish Nationalists, the 95 Theses condemning the Head of the Church of England were symbolically nailed to the door of Westminster Abbey, to publicly denounce Elizabeth 2's evil, corruption of the Teaching of Christ, and fraudulent coronation and reign.

In this modern-day disputation, an argument to uncover and establish truths in theology, "Martin Sleuth-ER" ridicules and exposes abuses, indulgences, and treasonous acts of the Head of the Church of England.

The Stone of Destiny, also known as Jacob's Pillar Stone, The Coronation Stone, The British Throne, The Throne of David, has **NEVER** been returned and **Elizabeth KNOWS IT**.

The British and the Scots pretend the one sitting in Edinburgh Castle is authentic, despite the overwhelming evidence that it's a fake.

The Stone of Destiny, the British Throne was taken to prevent Elizabeth from being crowned on it, just as prophesied in Ezekiel 21:25-27. The Sceptre is set to pass from Judah to Joseph, when Shiloh comes to gather His people (Genesis 49:10). Elizabeth 2 descends from David, the line of Judah; but the Sceptre will depart from her.

The taking of The Stone of Destiny (The Throne of David - The British-Israel Throne) on Christmas Day, 1950, was the **SIGN** that the **final** overturn had begun, as prophesied in Ezekiel.

The **SIGN** was ignored, so the British peoples became enslaved by a fraudulent queen. Since the British people continue to oppose Christ's teachings, they are thus challenged to read and debate the 95 Theses compiled by Martin Sleuther.
