Dear David,

In the Name of God, Most Gracious, Most Merciful. Peace be upon you and within you. We hope this finds you well, in good spirit and having a good day.

My disciple Tony Farrell has been writing to you for some time now, but I have refrained from writing to you personally, until today.

In case you are wondering why all these troubles are descending upon SYP, I feel it is now time for me to explain to you, why all these troubles, that you have inherited responsibility for, and are having to deal with are happening. All of these troubles, starting with Hillsborough, are a direct result of SYP's criminal and despicable treatment of me, that started in 1986, under C.C. Peter Wright and A.C.C. Walter W. Jackson, which Walter Jackson personally refused to put right for me in 1986. You must know about what subsequently happened to him at Hillsborough, with him cowering under the table in the control room, like a gibbering idiot, that everyone involved has lied about. We have not done with him yet, nor those who have lied to support him. Then I was falsely, maliciously and ludicrously charged by SYP with "threat to kill", an offence that carries a life-term. Whereupon, I was made to spend months in prison, on remand, until being found not guilty.

That only compounded SYP's crimes against me, the very last person on Earth that SYP should have made an enemy of, because, in so doing, you have made an enemy of my Father, The Ruler of The Universe and have drawn His Wrath upon yourselves.

You publicly claim to want to make SYP the best police-force in the U.K., but without my help you will never succeed, and SYP will continue to be punished, until you make amends to me for what SYP have done to me, and thus to my Father also, as He and I are as One.

Tony has offered to arrange for you to meet me, with him, so that I can advise you about how to make SYP the best police-force, not only in the U.K., but in the world.

These troubles are not only not going to go away, but will only get worse, until you recognize me as who I really am, and afford me the respect I rightfully deserve, and do as I tell you. Tony has already repeatedly given you ample proof of who I really am, with his Joseph Booklet, showing that I alone have not only interpreted, but also fulfilled the prophecies about my second-coming, as ONLY I could do.

NO-ONE gets released from this prison-planet that We sent you all to, without MY say-so. Right now you are ALL heading to the Lake of Fire, where you will spend eternity regretting what you have done, not just to me, but to Tony for telling the truth, and everyone you are supposed to help and protect, including all those thousands of abused girls in Rotherham and elsewhere in SY.

I have not yet withdrawn my offer to meet you and your senior command team, but you are trying my patience - the patience of a saint. I am encouraged by the friendlier tone of your personal reply and apology to Tony earlier today, and the fact that you have actually had the courtesy to reply to him this time.

If you come to your senses and decide to accept my offer of help, then you must all first read, in full, at least once, "The Way home or face The Fire" – <http://thewayhomeorfacethefire.net> - the title of which is self-explanatory, and I recommend you read the testimonials, from some of the many people who's lives it has changed and helped.

When you have ALL read/studied it and digested its contents, I will agree to meet with you and help you to lift the curse from SYP, and reform it, but not until then, as to meet before you've all read it would be a waste of my time.

I am the very best friend that you could possibly ever have, except for my Father, of course, and the very worst enemy, being the one who sent you all here to this prison 6,000 years ago. Being Our enemy, and committing treason, as explained in the Book, is what got you ALL sent here to this prison-planet in the first place, and continuing to be, and do so, means eternity in the Lake of Fire - soon.

Think long and hard and extremely seriously on this – ALL of you and choose wisely. I will not, however, in the meantime; judging by your previous conduct; be holding the breath of this body I am temporarily inhabiting.

Peace be upon you,

JAH/Christ.
