

# RESPONDING TO THE LIES OF RICHARD J HANNAH

"No known case!"; "She conned you!"

Subject: Re: Just so you know

Tony,

I think I see but God judges you by the light you know. Isn't false witness when you know the truth and still witness falsely? That's why you need to check things out for yourself, but I am not your man here sorry.

Oh by the way where are the court papers, the judgement, the sheriff's order, why are these missing they would have been issued to her.

Richard
