Dear David,

Why does it not come as a surprise to me, that 2nd September is the chosen date, when you have been summonsed to appear before the Home Affairs Select Committee and Keith Vaz?

The second of September marks the very date when SYP sacked their Principal Intelligence Analyst, yours truly, for doing his job.

That's the date when we first encountered each other, at a 12 hour vigil, a year ago, outside your new Police HQ.

That's the date when a local BBC Reporter named Dan Johnson was hovering on the scene, reporting to the BBC Look North Programme, on some scattered coppers found on a football pitch 25 years earlier.

That's the date when, like you before Vaz, I was hauled before Hiller.

That's the date when I refused to bow down to my bosses' Golden Calf (false gods) and break the ninth commandment. That's the date when God reminded me that He cares about honesty in the work-place.

Will it be the date on which you are sacked, like I was?

So, just on that date alone, we have a stark example of date synchronicity. But there's so much more, as

you are hopefully beginning to realize.

Synchronicity happened again on 15th April with the murder of local BBC reporter Winton Cooper, and my eviction notice appointment in which you may have had a hand, on the 25th anniversary of Hillsborough, where a titanic (15th April 1912) like struggle ensued over sovereignty and jurisdiction and the enforcement of God's Law.

My list could go on and on, but you should be getting the picture. Or, are you one of those people that Christ referred to, when He said: "There are none so blind as those who refuse to see."?

My question to you is this. Do you honestly believe that some divine supernatural force is not behind all these synchronisations. I KNOW this to be true. Long before I got called out from the police, I sensed I was being called out by God to do something unusual. I know that the same applies to you. We are trying to give you a message that God wants you to hear, understand and obey.

Are you listening? Or, are you one of those whom Christ referred to as having ears, but they do not hear, and eyes, but they do not see?

We are trying to HELP you. God and we are no respecter of persons (like Vaz, judges, politicians, fraudulent monarchs, etc.), and we do NOT want to see you get sacked. You are in an unique position, and it's not for some trivial reason that God put you there, in Joseph's Sheaf-Field (Sheffield - Genesis 37:7-8) and why I keep getting told to communicate with you, in the hope that you will hear and recognise that God is calling out to you, through me and His Eldest Son, our rightful King - JAH.

Do you have the courage of Joshua?, who said: "Now therefore fear the "I AM", and serve Him in sincerity and in truth: and put away the gods which your fathers served on the other side of the flood, and in Egypt; and serve ye the "I AM". And if it seem evil unto you to serve the "I AM", choose you this day whom ye will serve; whether the gods which your fathers served that [were] on the other side of the flood, or the gods of the Amorites, in whose land ye dwell: but as for me and my house, we will serve the "I AM". And the people answered and said, God forbid that we should forsake the "I AM", to serve other gods; (Joshua 24:14-16).

And as Simon Peter and the other Apostles said: "We ought to obey God, rather than men." (Acts 5:29)

Therefore, I will ask you once again. Will you meet up, as per our request, so we can help you, or at least have the common courtesy to give us a straight answer, please? Will you meet up, preferably on 11th September 2014, yes or no?

By we / us, I mean JAH and myself. You are being called by God to do something significant, and JAH is the only one able to help you fulfill your divine calling. You will not be disappointed. If you agree to meet up we will ensure that it is not some meaningless non-event. Your future depends on it.

We await your answer, in the hope that you will see merit in answering in the affirmative.

Regards

Tony
