Dear David,

You might be interested in this email below which I received this morning from Sabine McNeil in relation to letters sent by Terence Ewing to Keith Vaz and Shaun Wright. This may be useful intelligence for you.

I have taken the decision to forward this email on to you, because JAH and myself are not against you, not if you are fighting this corruption. It is our assessment that the intelligence may be important for you. We are still giving you the benefit of the doubt here, so that's why I am sharing it with you straight away.

JAH and myself are trying to help South Yorkshire Police do the right thing and therefore together, we thought it best to share this immediately.

Again, we ask you to consider our request to meet you, in a positive manner.

Regards

Tony Farrell

Dear Sir

SUMMONING OF DIRECTOR GENERAL OF THE BBC AND CHIEF CONSTABLE OF SOUTH YORKSHIRE POLICE TO THE HOME AFFAIRS SELECT COMMITTEE REGARDING THE BBC INFORMATION REGARDING THE EXECUTION OF THE SEARCH WARRANT ON THE PREMISES OF SIR CLIFF RICHARD SUNNINGDALE BERKSHIRE

I enclose for your information a copy of the letter that I have sent to the Chair of the Home Affairs Select Committee regarding the summoning of Lord Hall, the Director General of the BBC and Mr. David Crompton, Chief Constable of South Yorkshire Police before the Home Affairs Select Committee on 2 September 2014, regarding the information supplied from at present a source unknown to the BBC concerning the investigation and search warrant regarding Sir Cliff Richardâ \in ^{TMs} property in Sunningdale Berkshire on 14 August 2014.

As you have publicly stated, this issue raises important issues concerning the conduct both of the BBC and South Yorkshire Police which is of concern to the general public generally concerning confidence in the conduct of the police, media and the integrity of the criminal justice system.

T Ewing Enc
