Dear David,

We hope this finds you well, well-rested, in good spirit and having a good day.

In these turbulent times for the leadership within South Yorkshire Police, why do you not extend JAH and myself the courtesy of a reply to our previous requests to meet with you all, please?

If you truly wish to understand why all this is, all of a sudden, happening to South Yorkshire Police, and how to stop it, then why not answer in the affirmative and grant us our request, before it's too late?

Yours sincerely

Tony Farrell
