And the reason why Sevengate has gone nowhere, and you have no credibility is simply this Sir, it's a lie that will haunt you both till your deaths, no matter how hard you try and make it real.

Shame on you Tony for being too self absorbed to listen. You talk loads but listen very little. If you talk all you are doing is spouting what you know, when we listen we learn. No one is listening to you Tony because you are making up the story about you and Seven. They don't need to respond because we have nothing to answer for.

Tara it's been emotional, but you are delusional and thankfully delusional people cannot be allowed to play with the grown ups.

Thank the Lord for our courts.
