THIS IS NOT AN APRIL'S FOOL JOKE!

Dear Richard,

Good day to you. I hope this finds you well, in good spirit and having a good day.

Thank you for your unexpected email which I have read with interest and forwarded onto Ms. Seven.

Presumably, the report containing the pictures to which you refer and you request to be removed, is as given in the link below.

Is that correct please?

The reason why I ask is because pictures of yours are also included in a youtube video entitled **the Sound of Elijah's Shofars** on the **JAHTALK** website. That video can be viewed by the following link.

Is it your wish that the pictures in that video are removed too, please?

Assuming your answers are yes, you want them removed, then, upon your confirmation, I am willing to give the matter due consideration, but first, I feel it only polite to ask both Ms. Seven and JAH, in order to ascertain their thoughts on whether or not they would wish to see your pictures removed in accordance with your wishes.

The end of the Southwark Trial of Muad'Dib. JAH and Ms. Seven in the same photograph as Mark Windows, Belinda McKenzie, Nick Kollerstrom, and Sophie Palmer.

In fairness to all parties concerned here, I think it appropriate to include them both in the decision-making process.

However, I rather suspect Ms. Seven might make a valid point that you never bothered to ask her permission to use her concepts, in spite of signing an agreement in your meeting with her of 11th November 2003, contrary to what you state in your email.

Returning to my email sent to Chief Constable David Crompton and his Deputy Andy Holt, in which three of your pictures featured. In the scheme of things, the pictures of you are not as important as the significance of the accompanying picture alongside yours which is quoting from Proverbs 20:22.

"Don't take it on yourself to repay a wrong. Trust in the Lord and he will make it right."

While that quote could and should have been more precise if it had been taken from JAH's King of kings' Bible, the point it makes is as

follows.

Say not thou in thy heart; give not way to any such evil thoughts or purposes. Wait on the Lord, to whom it belongs to execute vengeance, and to deliver his people from all their enemies.

In an email you copied to Ms. Seven dated 31st October 2003 entitled, "On my command unleash sales hell.", you wrote this.

"My name is Maximus TVProgramme sellingus, Husband of a murdered career, Father of a murdered brainchild, and I will have my vengeance in this live event or the next."

While I ponder further as to what specifically to do with your request, might I respectfully suggest that you also reflect on the difference between your quote on Halloween night and JAH's quote for eternity as given below.

PROVERBS 20:22 "Say not thou, I will recompense evil; but wait on the "I AM", and He shall save thee."

The various deceits men use, of which the love of money is the root. The Lord will not bless what is thus gotten.

If you are wondering who on earth is JAH, then might I respectfully refer you to by far and away the most valuable Intellectual Property that exists on the planet.

If you are curious enough to want to know how I first became involved with JAH, who is the Second Coming of Christ, then respectfully, I invite you to read my testimony on the JAHTALK website or read what Hannah Michaels kindly had to say on the discipleship.

Contrary to what you asserted in your email, and of course you are fully entitled to your opinion, the above two articles, will show you that I am not actually trying to make a living, or trying to take any advantage in life from the deaths of those who die in terrorist attacks. I am merely trying to help save the lives of those who are lost, including my own.

Brian Nicholson QC representing some of the defendants in Ms. Seven's case before Judge Pumfrey.

The late Judge Pumfrey deemed Ms. Seven's evidence as the best he'd ever seen by a litigant in person.

Thank you for the rest of the comments on the joint report. They are noted. However, Judge Nicholas Pumfrey, if he were somehow still alive today, would simply cackle at the notion that her ideas were "PANTS" as you describe in your previous email. I say that with some confidence, given the compelling evidence on the court proceeding's audio tapes from Pumfrey's hearing. I feel certain that Pumfrey would have had no more patience with your false utterances about the quality of Seven's ideas, than the contempt he showed to desperate pleas of Brian Nicholson for the case against you all to be dropped. Seven's evidence, as presented to the judge at court, was deemed by far the best he'd ever seen by a litigant in person.

Seven accomplished this against all odds, while you, as one of ten defendants, failed to show up to defend your case, whereupon it can be heard that Seven was granted permission to apply for summary judgement by default against you. Do you deny it?

I look forward to your reply.
