Dear Richard,

Dear Richard,

Good morning and good wishes. I am sure you will recognise these words of yours.

"My denial is based on being one of the accused. This is a disgusting scam from someone with little talent for tv, who ran up debts and failed to pay rent. So all you need to do is claim to win a case that WE struck out, libel everyone because we won't sue because you have no money and anyone that debunks you is part of the conspiracy. Her court case win according to her was expunged. She names the wrong defendants, and relies on nobody checking her facts. Very few sites give her credence and I suspect even poor old Tony Farrell thinks her claims are a little left field."

Firstly, thank-you yet again for the mention and all the interest you are affording me. I suppose I should be quite flattered.

One thing I would like to point out is that in the final day of judgement, God won't be looking at any court papers from Blackburne, Pumfrey or Lawrence-Collins. Neither will He need to go searching for website like Land-of-the-Free or Wonderful News Garbage from Windows on the World Broadcasts to tell Him what is truth.

Hebrews 4:13 King of kings' Bible by JAH

4:13 Neither is there any creature that is not manifest in His sight: but all things are naked and opened unto the eyes of Him with Whom we have to do.

The truth is that all the dirty, filthy, rotten deeds surrounding this MONSTROUS case will be laid bare before Him. Every single criminal and deceitful act that you, me, Seven, Jim, Helen, Christopher, Derek and Tamsin have ever dreamt of, let alone possibly committed will be exposed. Frankly Richard

THERE WILL BE NO ESCAPING IT, THIS FROM ON HIGH!

We will all be weighed on the scales of God's justice. Disgusting cons long or short, will not remain hidden from sight, and I have news for you too. When we come before Him, neither you, nor I, nor indeed Lawrence-Collins or Nicholas Pumfrey, will have the slightest say in the matter.

By then, it will be far too late for that. The time is short for show genuine repentance and remorse for all our transgressions. One does not show repentance by perpetuating the lies as is happening her time and time again. God is not mocked! God will not be conned.

On a slightly lighter note, you know being poor and old, ain't half as bad as you make it seem in your email swipes at me. This body inhabited by me - the spirit being - is 55 years old and you are correct, Mr. Farrell does not possess much money. All that said, who needs money when you can have this below?

I know it's sad in your eyes, but poor old me much prefers that tune above to your Seven Nations Army/White Stripes stuff.

However, as musician bands go, Becker and Fagan were my personal favourites from way back when. Therefore, if you really do want to give me a mention on your next Big Radio Show broadcast, then please consider playing Rikki Don't Lose That Number for me, as per my previous request. And if you like that biggest hit song about Rikki, then please read these Steely Dan lyrics signifying a not so well known "Change of the Guard".

Regards

Poor Old Tony

"Change Of The Guard"

If you listen you can hear it

It's the laughter in the street

It's the motion in the music

And the fire beneath your feet

All the signs are right this time

You don't have to try so very hard

If you live in this world

You're feelin' the change of the guard

All the cowboys and your neighbours

Can you swallow up your pride

Take your guns off if you're willin'

And you know we're on your side

If you wanna get thru the years

It's high time you played your card

If you live in this world

You're feelin' the change of the guard
