

WHAT IS TRUTH?

Richard,

Evidently, you seem to have great difficulty in understanding the difference between a truth and a lie.

Was that your signature on the agreement of 11.11.03 with Ms. Seven as witnessed by Lisa Pahne, or was it not please, yes or no?

Regardless of content, was it you who copied Ms. Seven into an email you addressed to Tony Orwin and Suzanne Hill dated 31.10.11, yes or no please?

On both counts, contrary to what you wrote in your email to me on 27th March 2015, clearly you did sign an agreement which was about non-disclosure and you evidently did send at least one email to Ms. Seven, having boasted to me that none were sent. That makes your statement made in an email to me on 27th March 2015, untruthful. Does it not?

How can you be trusted at your word, after that, I ask myself? Truth, clearly means nothing to you.

Tony
