Dear Bill,

Good afternoon and good wishes to you.

This is Tony Farrell writing from Ireland.

My purpose in writing an email to you is two-fold.

Firstly, I wanted to ensure that you are aware of JAH's / Muad'Dib's Hillsborough Ripple Effect film. I strongly recommend that you watch it, please. It shows how the Hillsborough Disaster, contrary to popular belief was no tragic accident. It was instead a pre-planned accident that went horribly wrong for the plotters, and that's why we still to this day have the ongoing cover-up, which transcends well beyond just a few dozen or so bad cops from the police. This plot goes straight to the gates of Westminster and the door of No 10.

Secondly, I wanted to alert you to a related article entitled 'The Persistent Widow', which you will doubtless know is a parable of Jesus', and you will also almost certainly know that it has been cited by James Jones, the former Bishop of Liverpool, on several occasions in his public duties in relation to his ongoing work, regarding the Hillsborough Disaster.

The Persistent Widow article:

You feature in part in the article, because of your moving reading from Philippians 4, and your fine speech afterwards, when you referred to the mums, and in particular, Margaret Aspinall.

I wrote this about you in it.

"Bill Kenwright, of the Biblical and highly significant "Joseph and The Amazing Technicolour Dreamcoat" fame, had it right, when, after reading about "steadfastness" from Philippians 4, at Anfield on the 24 anniversary, he heaped praise for the work of mum, Margaret, just one of the many "Persistent and Prayerful Widows" over the years."

The reason why "Joseph and the Amazing Technicolour Dreamcoat" gets specifically mentioned, in the context of my article, is because of the direct relevance of the Joseph Story, to both the Hillsborough Ripple Effect film-maker JAH, and the identity of the last verse of Jesus' Parable of The Persistent Widow/ Unjust Judge, as written in The Gospel of Luke, chapter 18, verses 1-8.

The two last verses from JAH's King of kings' Bible say this:

Luke

18:7 And shall not God avenge his own Elect, which cry day and night unto him, though he bear long with them?

18:8 I tell you that he will avenge them speedily. Nevertheless when the Son of Man cometh, shall he find Faith on the earth?

The King of kings' Bible

The film-producer, JAH, is the Son of Man, and He is also The Author of what is written in the contents of The Joseph Booklet.

If you open and read The Joseph Booklet, it will actually explain clearly, and in irrefutable terms, the reason why JAH, is The Second Coming of Christ. The Booklet explains the Sheffield connection, in a clear and concise prophetic discernment of Joseph's famous dream in the Sheaf Field.

In bringing this email to a close, JAH, Christ in His Second Coming, would like to meet with you for two reasons.

Firstly, Muad'Dib, the film-maker, and Christ in His Second Coming, would like to discuss the Hillsborough Ripple Effect film and its implications, because you can greatly help the families of the 96 at this point in time in getting the truth of this murderous act out in the open, once and for all.

Secondly, JAH, again I say, Christ in His Second Coming, would also like to discuss an idea He has long since had for helping make known to the World at large, the real meaning of Joseph's Dream, His Coat-of-Many-Colours, and the True Identity of The British People.

My question to you is therefore this. Please would you consider, in principle, holding a meeting with JAH, in relation to the above two issues.

Before you decide to answer, I urge you to watch the Hillsborough Ripple Effect film, and study the material in relation to the Persistent Widow article, in its entirety.

P.S. Besides, JAH, three prominent members of the Hillsborough Justice Campaign, including Evertonian Steve Kelly, have been copied into this email.

Finally, Bill, and to use your reading from 2014, whatsoever things are true, whatsoever things [are] honest, whatsoever things [are] just, whatsoever things [are] pure, whatsoever things [are] lovely, whatsoever things [are] of good report; if [there be] any virtue, and if [there be] any praise, think on these things.

Those things, which ye have both learned, and received, and heard, and seen in me, do: and the God of peace shall be with you.

We look forward in anticipation of a positive response from you.
