Dear Professor Scraton,

This is Tony Farrell writing to you, for a second time from Ireland, the Isle of Destiny.

The purpose of this email, is to ask whether you would be prepared in principle to meet with me and / or Muad'Dib, in order to discuss the implications arising from the recent release of Muad'Dib's The Hillsborough Ripple Effect film.

The link for the film is at: <https://jforjustice.net/thre.html>

We have circulated this film widely and have sent you a DVD. The following list of recipients of the film is far from exhaustive.

1. HFSG and HJC.
2. Senior Police and Police and Crime Commissioners.
3. Members of Parliament (Merseyside and South Yorkshire) and Andy Burnham.
4. A Thousand Liverpool Supporters.
5. Many Local Councillors, both sides of the Pennines.
6. IPCC and Operation Resolve.
7. Hillsborough Inquest Barristers.
8. Hillsborough Inquest Team members.
9. The former Bishop of Liverpool James Jones.
10. Various Journalists.
11. Orgreave Truth and Justice Campaign.

12. Professors, besides yourself, who publish various not-for-profit articles, about Hillsborough.

We have not yet sent the film to either Amber Rudd, or Theresa May, but plan to do so, in due course.

We would be most grateful, if you could consider our request, and let us know of your decision?

P.S. Of all the many decent things you have done for the 96, Muad'Dib and I, would like to especially applaud you for this action.

I will leave you with one final thought. It is related to what you did.

The Parable of the Unjust Judge and Persistent Widow, notwithstanding, the time has come for James Jones to take a leaf out of your book, and hand back Elizabeth's medal, in protest. None of that is said in any way to detract from his efforts to date.

However, when the stakes are so high, it is testimonies, not titles, that matter.

The "Unjust Judge" has not yet granted justice to the "Persistent Widow". The Bishop, for all his public praying of Luke 18:1-8, needs to understand its last verse.

King of kings' Bible

Luke

18:8 I tell you that he will avenge them speedily. Nevertheless when the Son of Man cometh, shall he find Faith on the earth?

For the retired Church of England Bishop to understand that, he really ought to ask JAH/Muad'Dib.

Regards

Tony Farrell
