*You will, of course, be aware that whatever Mr Jackson says is a matter for him alone, it is not something either I or SYP has any control or influence over.*

*Kind Regards*

*Dear David,*

*I note with great interest that former ACC Walter Jackson is in the box at Birchwood tomorrow.*

*I hope it's not just another day when SYP dig themselves further into its own cesspit of deceit and lies, by yet more attempts to conceal the truth about what really happened in the Control Room on that fateful day.*

*I hope it marks a turning point, where truth eventually prevails, but I won't hold my breath.*

*Regards*
