Dear Bishop James Jones,

Good afternoon and good wishes.

Muad'Dib / JAH has just released His new film about The Hillsborough Disaster. I hope it might be of some interest to you. It is very different from other documentaries on the subject.

The link for the film is at: <https://jforjustice.net/thre.html>

P.S. I am not the film-maker, and I have only just seen it for the first time an hour ago.

Regards
